RE : Welcome to the AHRI ACCL Certification Program for OEM

Ajit Parab

AHRI is pleased to welcome Swegon Blue Box Private Limited to the Air-Cooled Water-Chilling Packages Using the Vapor Compression Cycle (ACCL) Certification Program (latest edition of AHRI Standards 550/590 & 551/591) as an Original Equipment Manufacturer(OEM). The AHRI Certification Programs are accredited by the Standards Council of Canada(SCC) to ISO/ IEC Standard 17065 as a Type 4 certification system. Your certified listings will appear on AHRI's Directory of Certified Product Performance(Directory) and you may claim products listed in the Directory as "AHRI Performance Certified" while maintaining compliance to the enclosed Certification Agreement. Product listings are typically live on AHRI's Directory of Certified Product Performance(Directory) within 24-48 hours.The publication of product listings on the Directory may be longer if you sell products in the United States but your products are manufactured elsewhere.

For direct application of certification marks to units, labels need to be obtained through AHRI. You have the option of obtaining an electronic version of the certification mark which can be incorporated into the unit nameplate or printed product literature. Instructions on the proper use of the electronic logos may be found in the AHRI [Brand Usage Guide](#). To request labels, please submit an order [here](#). AHRI has developed the AHRI [Certification Marketing Toolkit](#) to help you promote your designation. The toolkit is comprised of a variety of materials to be used at trade shows and in other marketing endeavors. AHRI also will include your logo in its own certification program marketing. Please send your high-resolution vector file to AleGendre@ahrinet.org at your earliest convenience

Jenny Zhang is the AHRI Program Engineer responsible for the Air-Cooled Water-Chilling Packages Using the Vapor Compression Cycle Certification Program.For program specific questions, please contact Jenny Zhang at 86 18616607110, or via email at JZhang@ahrinet.org. You may also contact me at 703-940-9985, or via email at Bxue@ahrinet.org if you require further assistance.

Again, welcome to AHRI's ACCL Certification Program!

Sincerely,

Vice President
